THE WASTE MONGER!

OVERRUN

DELAYED

HE'S NOT JUST WASTING TIME—
HE'S WASTING EVERYTHING

THE WASTE MONGER!

OUR STORY SO FAR...

Proposals are no longer guesswork. With SEERai's intelligence and Captain Cost's strategy, teams have broken free from the cycles that held them back. But winning a bid is only the beginning. As production scales and suppliers spin up, spending begins to spiral. Resource drains multiply. The once-tight plan begins to bulge at the seams.

Across factories and spreadsheets alike, something greedy is growing—quietly feeding on delays, overages, and blind spots. And if no one acts, it won't stop until it consumes everything in its path...

TIME DOESN'T
VANISH. IT GETS
WASTED.

WHY ARE WE
REVALIDATING THE
SCHEDULE AGAIN
WE ALREADY DID
THIS--TWICE.

WHICH ONE
IS CURRENT?

OVERRULING.
DELAYS. HERE
COMES...

DEPENDS
WHO YOU
ASK.

**THE WASTE
MONGER!**

AHHH... DELAYS
MARINATED IN REWORK.
DELICIOUS.

WE'RE HEMORRHAGING
HOURS AND NO ONE'S
ACCOUNTABLE. WHERE'S
THE BASELINE?

WE ADDED A
15% RISK BUFFER.
THEN ANOTHER 10%
TO THE SCHEDULE.
AND PROCLIREMENT
JUST PADDED IT
AGAIN.

BUFFERED COST +22%

**CONTINGENCY STACK
DETECTED**

THIS PART
WAS ALREADY
ORDERED.

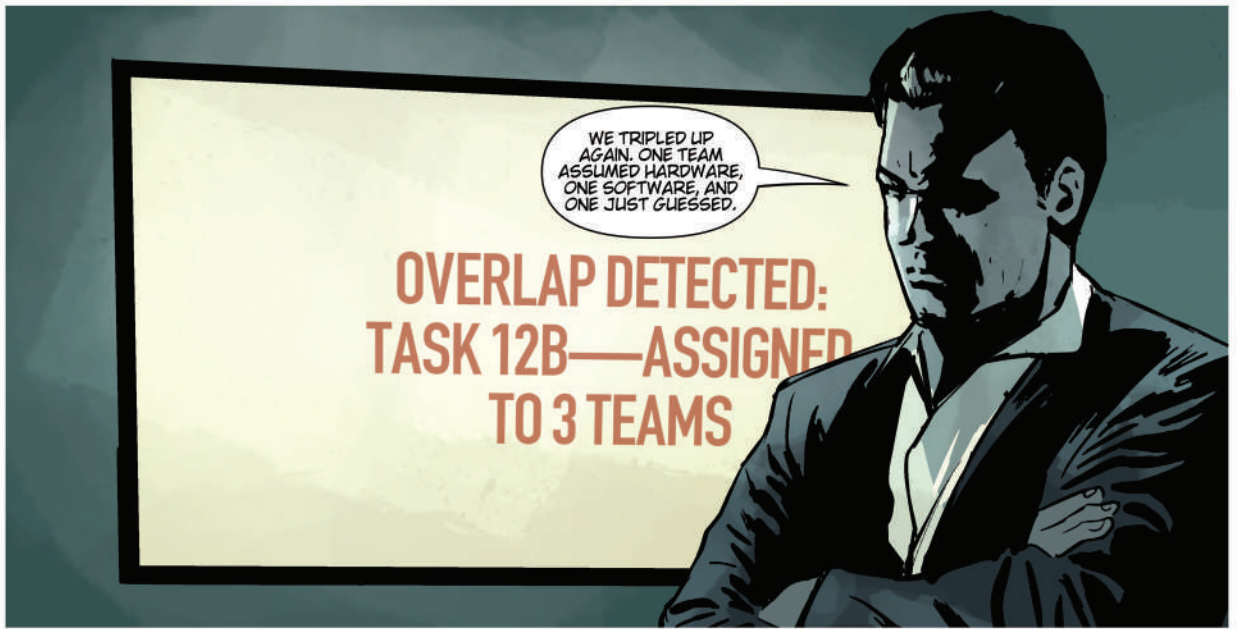

TWICE.

STACK IT HIGH. PAD
IT WIDE. HIDE THE
EXCESS WHERE NO
ONE LOOKS!

THESE AREN'T
ESTIMATES--THEY'RE
ASSUMPTIONS ON TOP
OF ASSUMPTIONS

WE TRIPLED UP AGAIN. ONE TEAM ASSUMED HARDWARE, ONE SOFTWARE, AND ONE JUST GUESSED.

**OVERLAP DETECTED:
TASK 12B—ASSIGNED
TO 3 TEAMS**

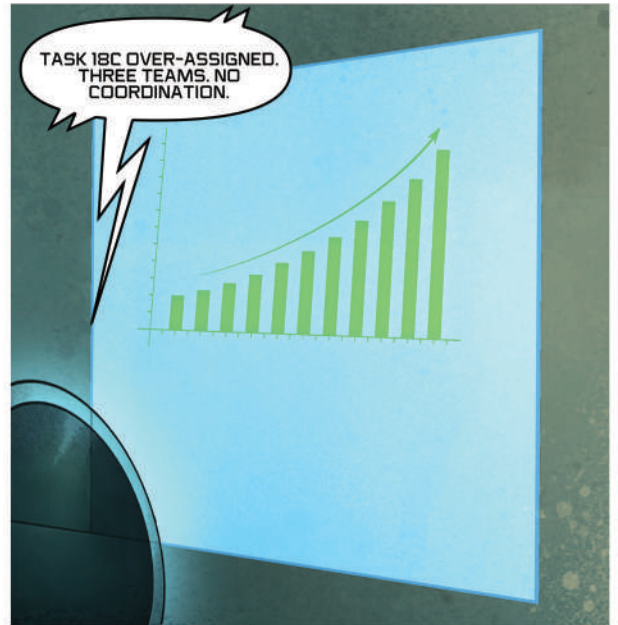

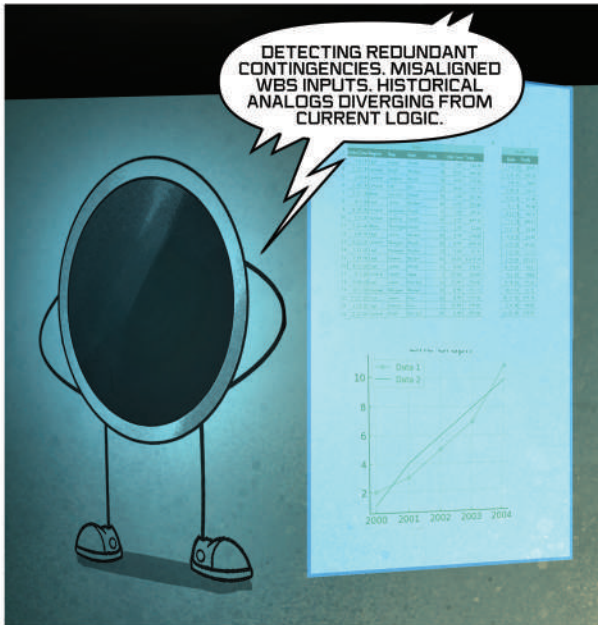

WHY ARE THE EFFORT HOURS DIFFERENT IN EVERY MODEL?

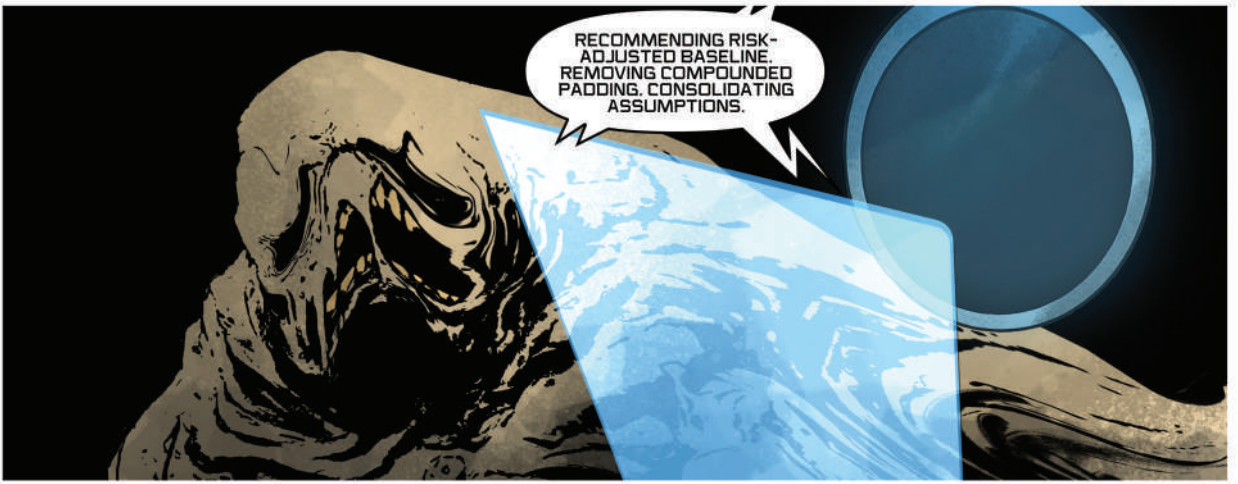

ALL THIS TALENT-- AND NONE OF IT ALIGNED. MY FAVORITE KIND OF WASTE.

YOU'RE NOT UNDER-RESOURCED. YOU'RE MISALIGNED.

RECOMMENDING RISK-ADJUSTED BASELINE. REMOVING COMPOUNDED PADDING. CONSOLIDATING ASSUMPTIONS.

NO ONE'S DOUBLE-BOOKED. THIS IS ACTUALLY... CLEAN.

WE JUST GAINED BACK THREE WEEKS. AND \$500K.

WITHOUT CONFUSION...

I STARVE...

SEERAI DOESN'T JUST TRIM FAT. IT BUILDS PRECISION.

WHEN YOU STOP
WASTING TIME, MONEY,
AND EFFORT—YOU
START BUILDING
RESULTS.

SPEED TO MARKET.
VIABILITY. PROFITABILITY.
YOU DON'T WIN THOSE
WITH GUESSES. YOU WIN
WITH CLARITY.

NEXT TIME: UNCERTAINTY
THICKENS. FORECASTS BLUR.
AND THE FOG ROLLS IN...

The Risk Shroud
IS COMING.
